Poise Timber Meeting Table

The natural timber grain is a stunning feature bringing warmth and life to any commercial space. With a cut-away sharknose edge profile as standard, and the option to add Flip Power which brings power to the centre of the meeting table in the most unobtrusive way. From a flat table top to power outlets mounted flush in the top surface with a simple flip action, Flip Power is stunningly functional.

Versatile, strong and attractive, the Poise Meeting Table has a solid american ash top mounted on steel legs. Mix and match leg and top colours to suit any environment and partner with the complete Poise range of conference tables, leaners and occasional tables for your board room, cafeteria and breakout areas.
